CUSTOM CLEARANCE

- A strong presence in Larnaca airport and Limassol port guarantees personal care to our partner's shipments. Online connection with local Custom Authorities simplifies the process and guarantees a fast and paperless service for any exports and import shipments.

Triangular Trade

- Triangle shipments are special freight forwarding service. We simplified the procedure, guiding our client by making sure that your shipment will end up to its final destination without any problem.
- This is our major service of expertise by handling shipments in challenging countries where the need of special paper work is needed. As an example we could provide testing, Inspection and Certification solutions for our customers' operations and supply chains.
